

# MAGIC LINEA RGBW 120° WITH FLANGE AND WITHOUT NICHE

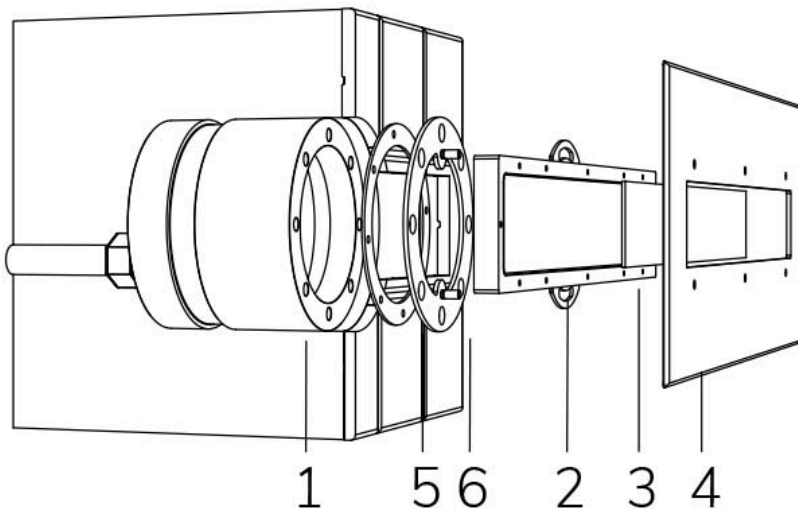

**Cod. 2112811294L**

LAMP WITH STAINLESS STEEL FLANGE, DIFFUSER and 4m of CABLE

LED pool lamp with RGBW variable colour, ideal for medium pools. PLC controlled. For recess installation in reinforced concrete with tiles or pool liner. NICHE IS NOT INCLUDED.

**Technical data:**

|                                    |                               |
|------------------------------------|-------------------------------|
| Power supply                       | 12 V AC                       |
| Current                            | 3.75 A                        |
| Maximum real power consumption     | 45 W                          |
| Maximum apparent power consumption | 61 VA                         |
| Electrical insulation class        | III                           |
| Connections                        | 4 m BLUE PBS-POOL CABLE 2X2.5 |
| Maximum cable length               | 20 m                          |
| Coverage area m <sup>2</sup>       | 20 - 25                       |
| Beam angle                         | 120°                          |
| Number of LEDs                     | 24                            |
| LED color                          | RGBW                          |
| Total luminous flux                | 1990 lumen                    |
| White luminous flux                | 840 lumen                     |
| Red luminous flux                  | 336 lumen                     |
| Green luminous flux                | 576 lumen                     |
| Blue luminous flux                 | 144 lumen                     |
| Body made of                       | AISI316L STEEL AND GLASS      |
| Weight                             | 4 kg                          |
| Ingress Protection rating          | IP68                          |
| Working conditions                 | EXCLUSIVELY IN WATER          |
| Maximum ambient temperature        | (water) 40 °C                 |
| Control signal                     | POWER LINE COMUNICATION       |
| Nr of programmed colors            | 13                            |
| Nr of programmed sequences         | 10                            |
